

2023
PRATT REGIONAL MEDICAL CENTER
VOLUNTEERS SCHOLARSHIP

The Pratt Regional Medical Center Volunteers will award a \$1,000 scholarship to a graduating high school senior who plans to enter the health care field. Some examples of health care fields are nursing, dentistry, respiratory therapy, physical therapy, x-ray technology, pharmacy, laboratory technology or another field deemed appropriate by the Scholarship Committee.

The scholarship will be given in two (2) installments which are made payable to the accredited college of the applicant's choice when payment is due for the fall and spring semesters.

The second installment will be given when the recipient furnishes a transcript of the first semesters grades and continues in a health-related field of study.

The Pratt Regional Medical Center Volunteer scholarship committee will select the recipient.

Applications may be acquired from the Volunteer Services Department at Pratt Regional Medical Center or by email request to slynch@prmc.org and must be returned by March 30th. The **2023** form is required for consideration.

For more information, call Susan Lynch at (620)450-1429 or slynch@prmc.org.

PRATT REGIONAL MEDICAL CENTER
VOLUNTEERS SCHOLARSHIPS

The Pratt Regional Medical Center Volunteers Scholarship Committee established the following criteria to be used as a guideline in granting the Volunteers health care related field of study scholarships.

1. Presentation of a completed PRMC Volunteer Scholarship Application either in person or by mail by March 30
2. Neatness and content of the application
3. Statement of the candidate's intended health care vocation
4. Statement of the candidate's enrollment, or intent to enroll, full time in a college or university program. The candidate MUST be enrolled in 12 or more semester hours.
5. Academic ability of the candidate as indicated by high school and/or college transcript as well as the quality of recommendations. A minimum 3.0 GPA is necessary to be considered.

POLICY

1. All payments of the PRMC Volunteer Scholarships will be made directly to the college registrar's office of the academic institution in which the recipients enrolled.
2. In order to receive the second semester award, the scholarship recipients must submit a transcript of the first semester's grades as soon as possible.
3. First semester transcripts must indicate a grade point average of 3.0 or better to receive the second half of the award.
4. Failure to complete a semester may entail the repayment of the scholarship at the unilateral discretion of the Scholarship Committee.
