

The Orrin Westerman Memorial Scholarship

This Memorial Scholarship was established by Orrin's wife, Renee Westerman, and their children to memorialize Orrin's life. They will award a \$500 Scholarship to an individual interested in pursuing a career in agriculture, construction or a technical area.

Orrin graduated from Nashville-Zenda High School. He played football and baseball. He was very interested in agriculture and mechanics. He loved to tinker and build things out of metal. He, also, loved working with big machines and heavy equipment and had many of them. Orrin was mechanically minded and it was easy for him to see how everything works and fits together. He could work on anything. He was creative and had an eye to build anything he saw. Orrin would see something and say he could build that in fifteen minutes and usually three hours later would have it built and built well. Orrin loved the outdoors. He liked to hunt and fish. When growing up, he loved traveling to unknown destinations with his family and continued this tradition with his own family. He grew up farming and chose farming as his career.

To be considered for this scholarship, please complete the following:

1. NAME _____
(First) (Middle) (Last)
ADDRESS _____
(Street) (City) (State) (Zip)

2. Grade Point Average _____
