

Alvin J. Rohr Science, Mathematics, and Technology Scholarship

The Alvin J. Rohr Scholarship was established by Mr. Rohr and his family. Mr. Rohr spent his career teaching physics, chemistry, computer science, and basic and advanced mathematics. He was also a self-taught carpenter, electrician, plumber, and mechanic. In the Navy, he was a mechanic servicing airplanes. The Alvin J. Rohr Scholarship is given by his family in his memory to recognize those students wanting to advance in science, mathematics, or technical education.

Scholarship Requirements:

1. Students must be a Cunningham High School graduating senior.
2. This scholarship is not tied in any way to the GPA of the applicant.
3. The average person who shows they are willing to work hard to grow in their profession in one of the fields noted above will be a strong candidate for this scholarship.
4. Complete the Alvin J. Rohr Scholarship Application. The application is due to the West Kingman County Education Foundation Board Secretary by the due date of the standard WKCEF scholarship application.
5. The amount of the scholarship is determined by the Rohr family.
6. Selection of the recipient(s) will be decided by the Rohr family.
