Kenny and Marilyn Glenn Family Scholarship

Education has always been highly valued in both Kenny's and Marilyn's families. The first reason for this scholarship is to honor Kenny's parents, Elmer and Elva Glenn. Elmer attended CHS and served on the school board. Elva cooked here for 17 years. Kenny also served 22 years on the school board.

Elmer and Elva's five children and subsequently Kenny and Marilyn's three sons and one daughter-in-law all graduated from CHS. They all went on to some level of higher education, graduating with Associates, Bachelors, Masters, and Doctorate degrees and achieved success in their chosen fields.

Students from our little school can go on to compete successfully at any level of education they choose, from trade school to large four-year colleges. The small size of our school does not diminish the quality of the education. It takes all of us to support our school and the high percentage of our graduates who wish to further their education. This is the other reason Kenny and Marilyn chose to award this scholarship.
